REQUESTOR'S POSITION SUMMARY

Requestor's Position Summary: "No insurance given at time of ER visit. Received Texas Mutual Corresp. [sic] with patient statement attached on 8/18/11 at which time I set up insurance & sent claim on 8/19/11 to Texas Mutual. Denied for timely Filing. On 2/8/12-sent Appeal on 3/15/12 which denied on 4/6/12. I called Texas Mutual & spoke to Sandra. The notes from the auditor states, print screens are not acceptable documentation to prove timely Filing."

Amount in Dispute: \$833.00

RESPONDENT'S POSITION SUMMARY

Respondent's Position Summary: "Because 95 days from the date of service is 9/26/11, Texas Mutual declined to issue payment for the untimely bill based on Rule 133.20. The requestor's 3/15/11 letter makes a point of stating it had no insurance information from the claimant and did not know about Texas Mutual until 8/18/11. Even if that statement is true it has no effect on the timely filing requirements for a bill in Texas workers' compensation. The scenario described by the requestor in its DWC-60 packet does not meet any of the exceptions provided under the Labor Code at 408.0272."

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for health care providers to pursue a medical fee dispute.

5. Texas Labor Code §408.0272 sets out the rules for certain exceptions for untimely submission of a claim by a health care provider.

- 731- Per 133.20 provider shall not submit a medical bill later than the 95th day after the date the service, for services on or after 9/1/05

Issues

1. What is the timely filing deadline applicable to the medical bills for the services in dispute?
2. Did the requestor forfeit the right to reimbursement for the services in dispute?

Findings

1. 28 Texas Administrative Code §133.20(b) states, in pertinent part, that, except as provided in Texas Labor Code §408.0272, "a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided." No documentation was found to support that any of the exceptions described in Texas Labor Code §408.0272 apply to the services in this dispute. For that reason, the requestor in this dispute was required to submit the medical bill not later than 95 days after the date the disputed services were provided.
2. Texas Labor Code §408.027(a) states, in pertinent part, that "Failure by the health care provider to timely submit a claim for payment constitutes a forfeiture of the provider's right to reimbursement for that claim for payment." 28 Texas Administrative Code §102.4(h) states that "Unless the great weight of evidence indicates otherwise, written communications shall be deemed to have been sent on: (1) the date received, if sent by fax, personal delivery, or electronic transmission or, (2) the date postmarked if sent by mail via United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent shall be the next previous day which is not a Sunday or legal holiday." Review of the submitted information finds no documentation to support that a medical bill was submitted within 95 days from the date the services were provided. Therefore, pursuant to Texas Labor Code §408.027(a), the requestor in this medical fee dispute has forfeited the right to reimbursement due to untimely submission of the medical bill for the services in dispute.

Conclusion

For the reasons stated above, the division finds that the requestor has not established that reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
